Old Anchor Bay

It seems like it's been forever, that you've wasted your life away Spending a whole 13 years, Getting an education at Anchor Bay

The hours that seemed to drag on and on The time that it seemed to take up And now that it's nearing the end of the years Aren't you proud that you didn't give up?

Now soon it's going to be over

But what are you going to do? No teachers to keep telling you No friends to stand beside you

Some of the people you've known and loved That together spent many of days

Will no longer be,

A part of your life

As you each go your own separate ways.

But now you've reached the very end

And it may feel good to say

After all of the years you've spent in school,

You're going to miss old Anchor Bay!

ACT V: INTERMISSION

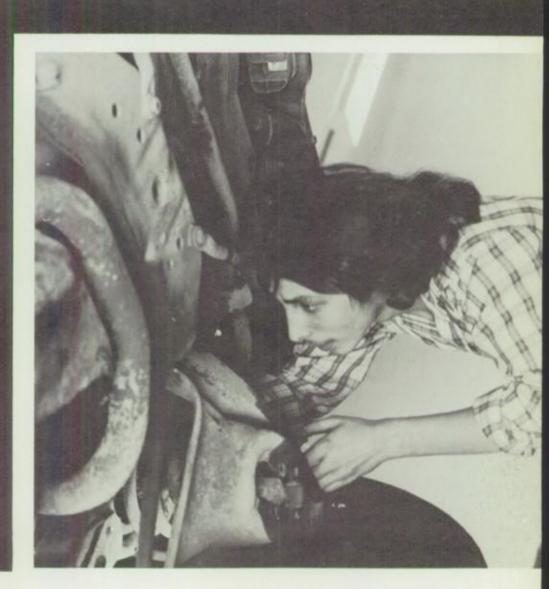

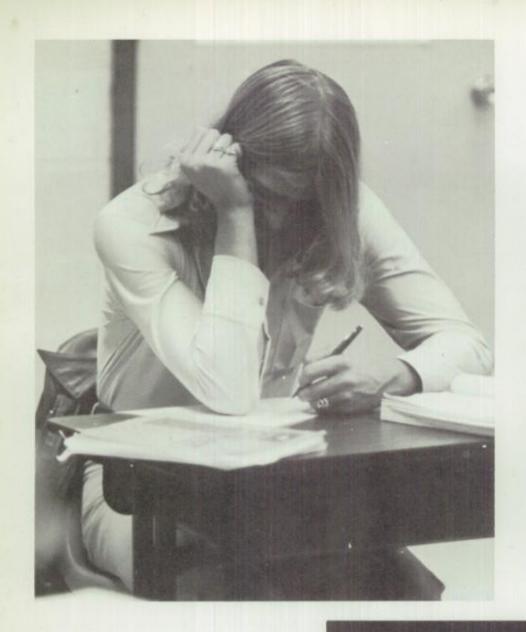

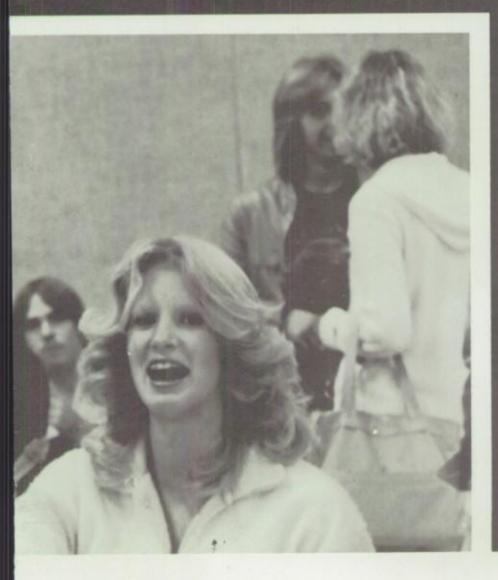

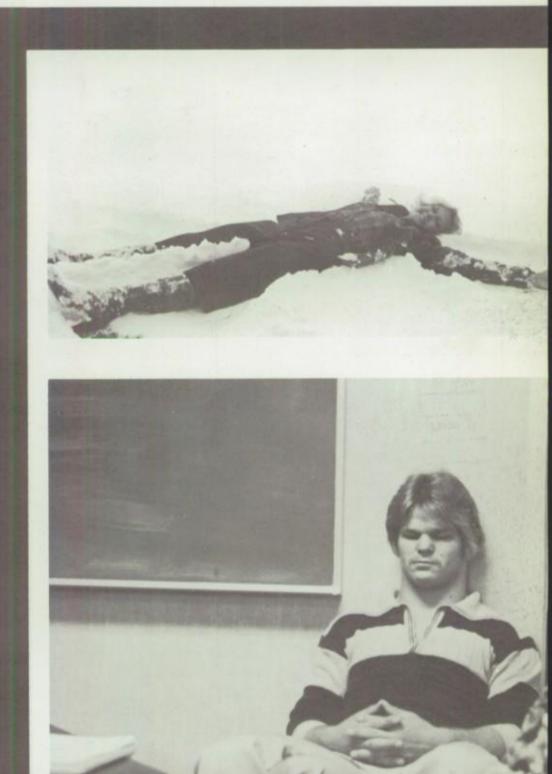

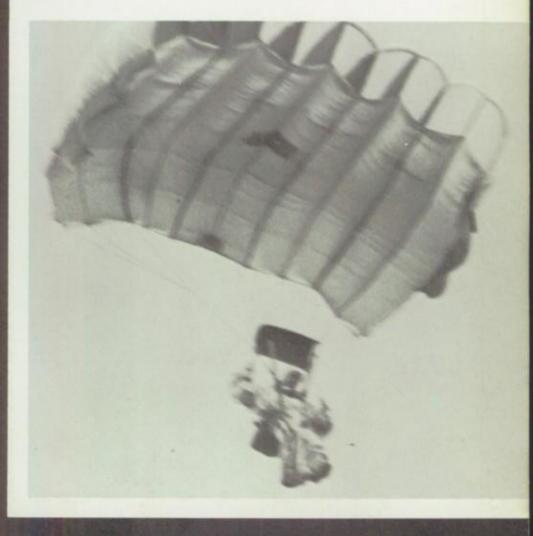

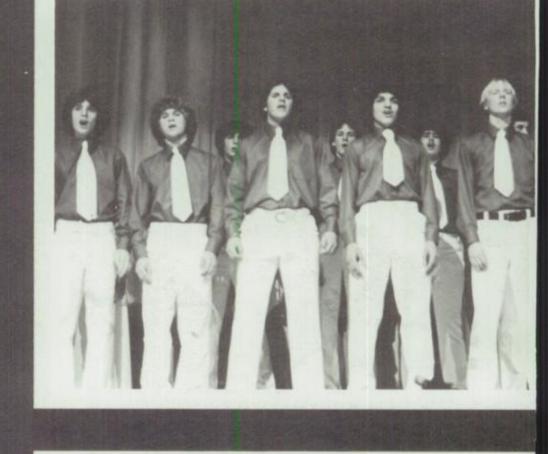

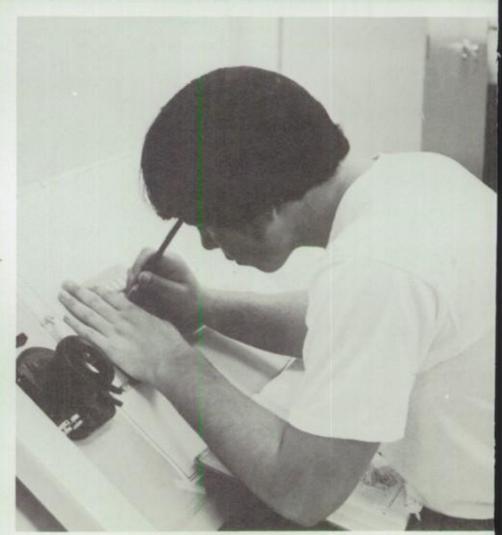

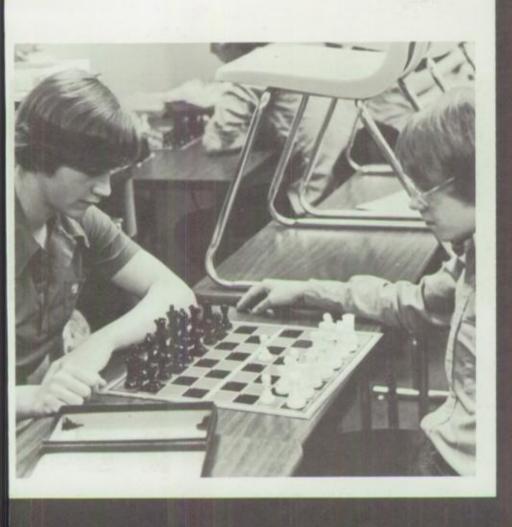

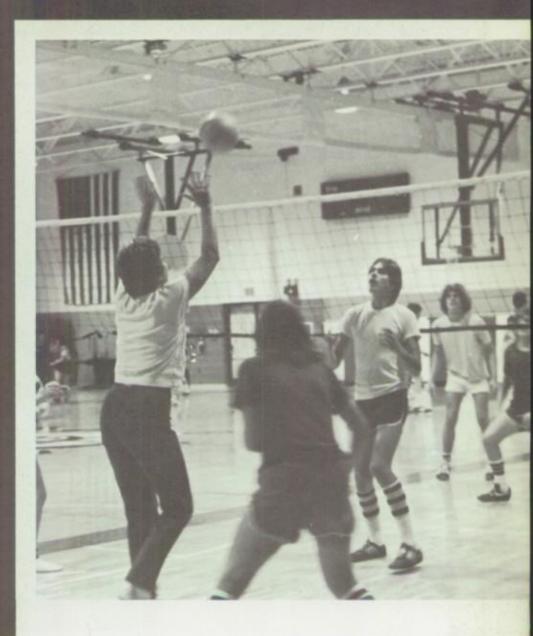

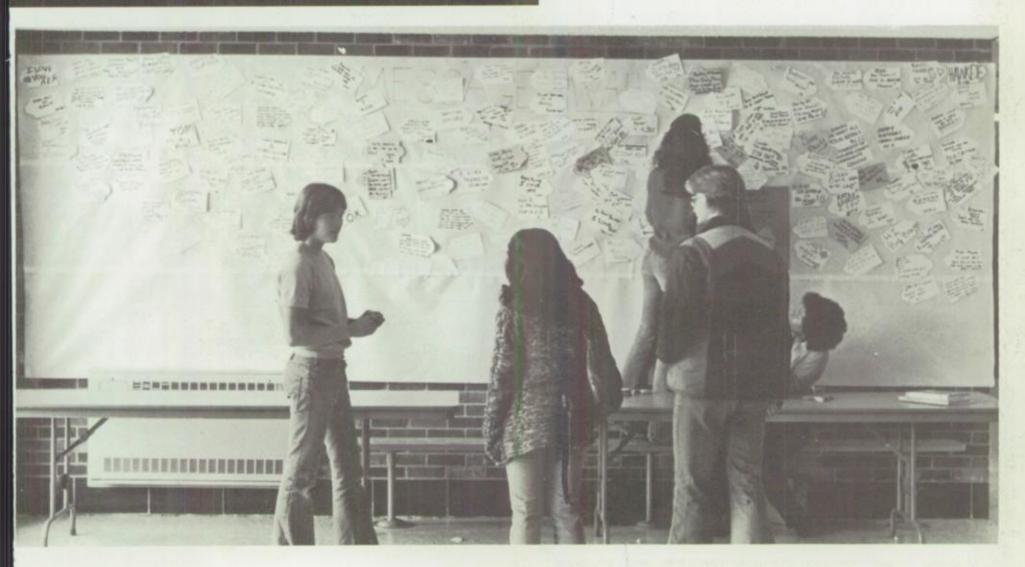

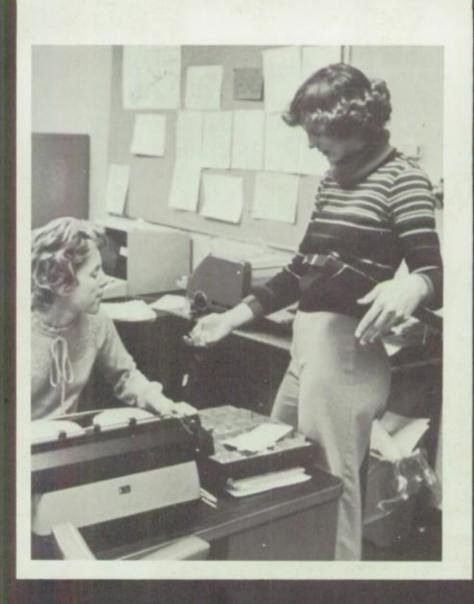

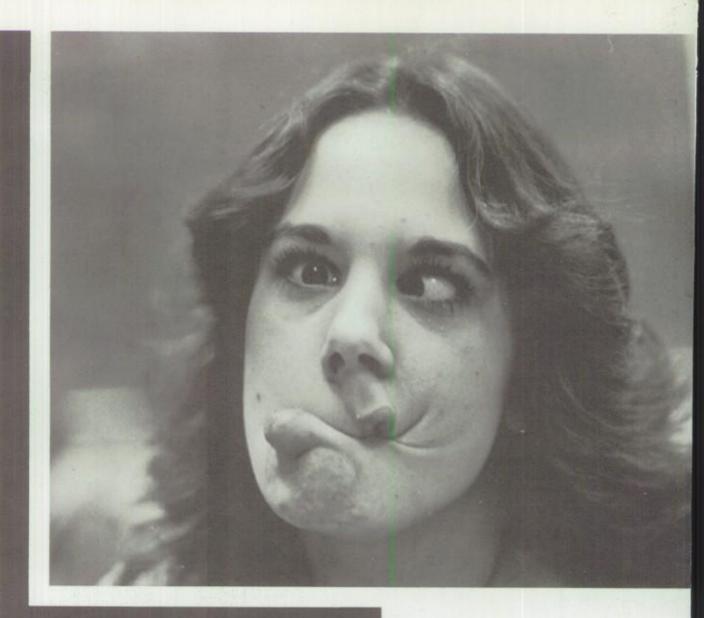

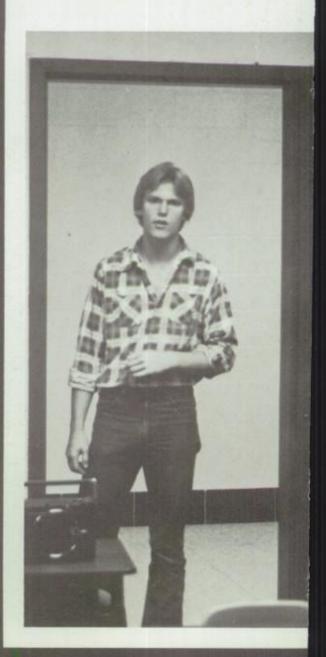

72 / Intermission

You had to notice the brightly decorated new halls this year. The project was headed by Mrs. Sorensen and designer Colleen Shipp, and directed by Bruce Haack and Kathy Biland.

Other students that worked on the halls were as follows: Andrew Helzer, Savit Amatayakul, Linda Corner, Hala Tamer, Vicki Dudas, Michelle Fournier, Lisa Harrison, Jo Wostkiewicz, Barbara Tomasino, David Cone, Pascal Remsik, Cathy Rudiger, Rachel Selk, Scott Mckingil, and also Dan Barr and Bob Seigneurie, shown below.

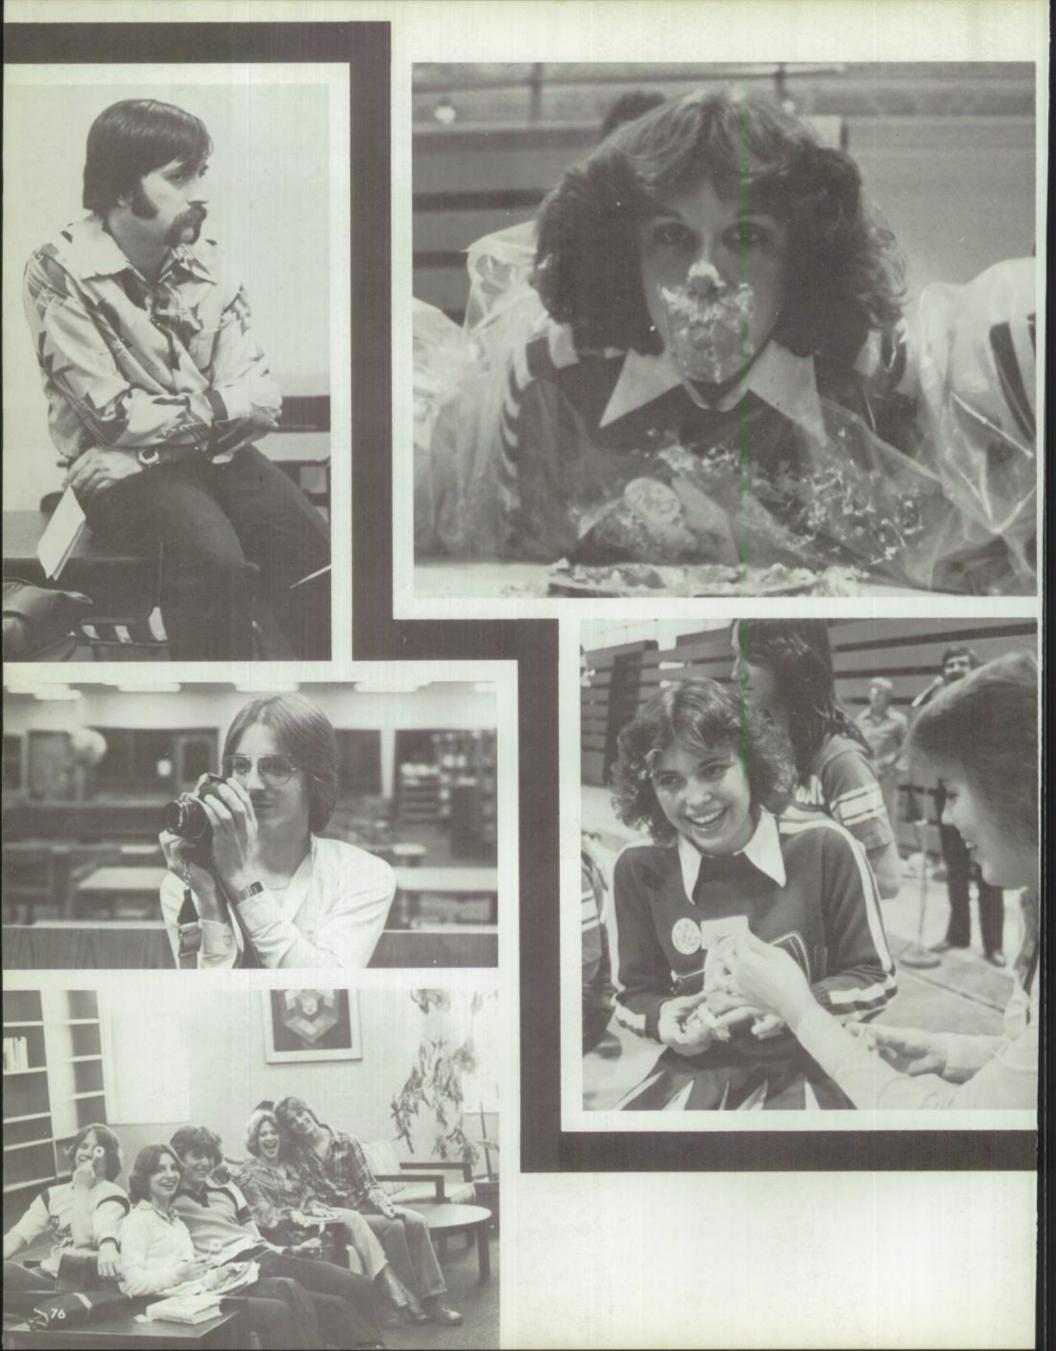

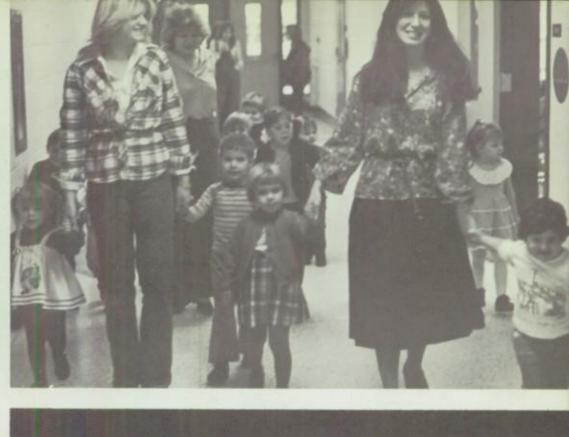

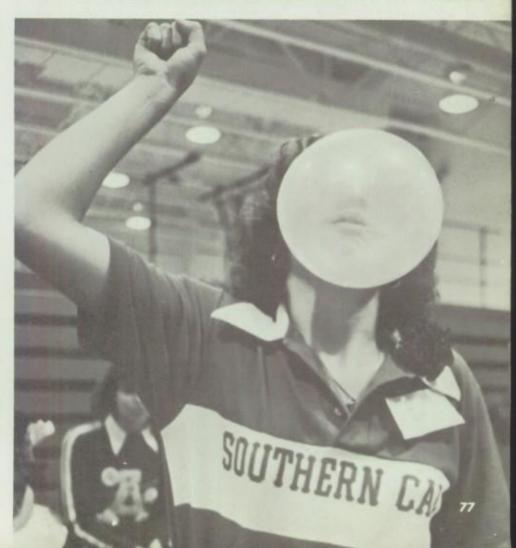

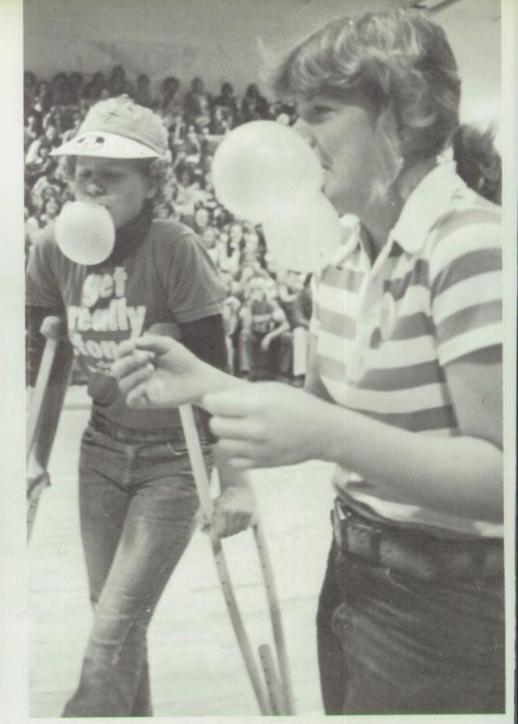

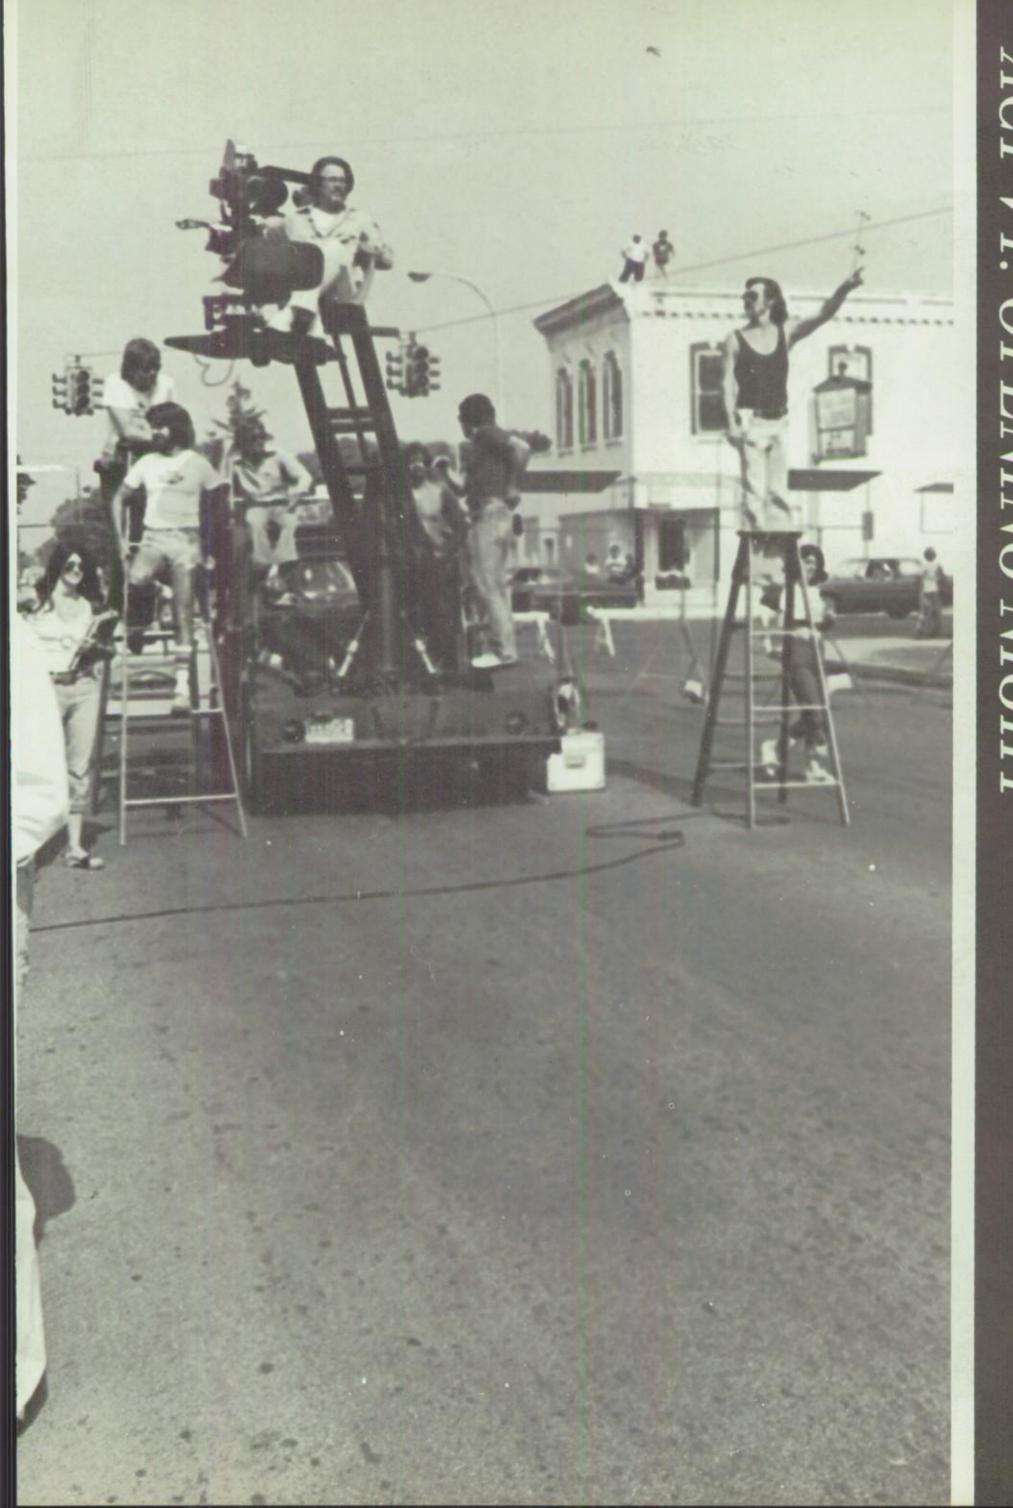

ACT VI: OPENING NIGHT

Back, Leslie Burgess, Glenn Meldrum, Steve Baker, Keith Spranger, Randy Sliva, Coach Cleverly, Kathy Hammond, Front: Jim

Anchor Bay Cross-Country lines up for a good start (1). Rendy Sliva proves once again practice makes perfect (2). With Steve Baker and Glenn Meldrum proving that sophomores can do it too (3).

The team performed much better than their 1-7 record indicated. At the SCAL meet they clinched 4th place. The team Captain and Most Valuable Runner is Jim Geier. It was a memorable season for their coach, Mr. Clerverly

This year's golf team, which is run by Coach Grayson, did very well. They beat each team at least once with the exception of Marysville, and tied with St. Clair for 3rd place during this season's matches. At the SCAL tournament they placed again with a fantastic 3rd. Overall it was 3rd place for the Tars with a total of 8.5 points.

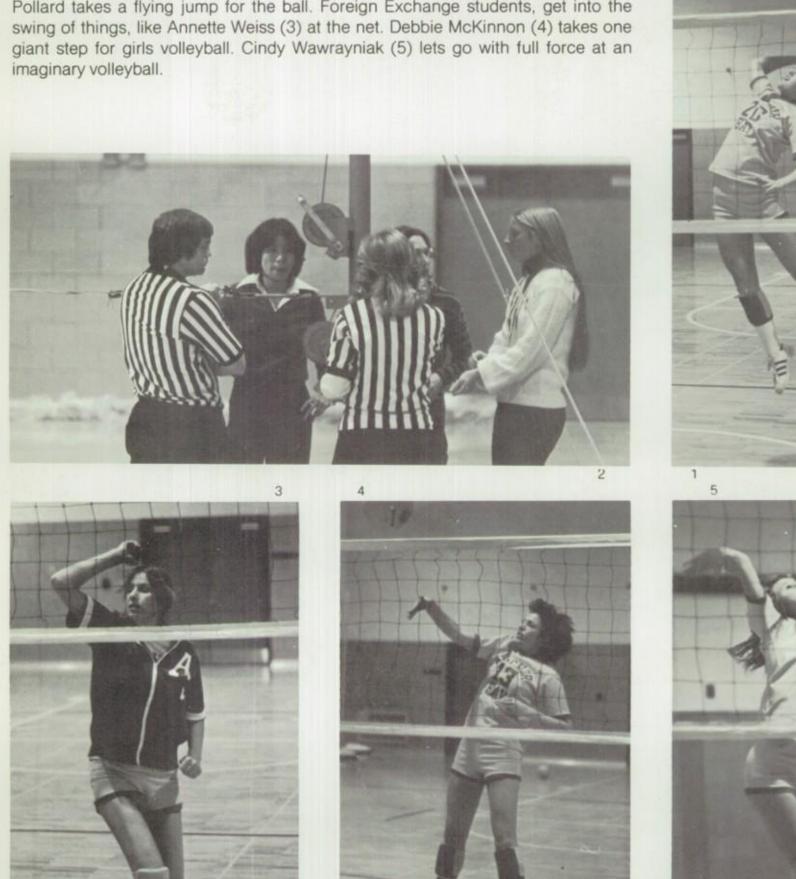

The Varsity team's players consists of Captain Jerry Decker, who holds the all-time record for lowest 18 hole score for State Regional Tournament plus 2 out of the 5 individual records. Don Pierskalla, (2) who is the most valuable player and holds the lowest average (41.7 from 12 matches) plus 3 out of the 5 individual records, Ron Pierskalla, and Kevin Sehlmeyer.

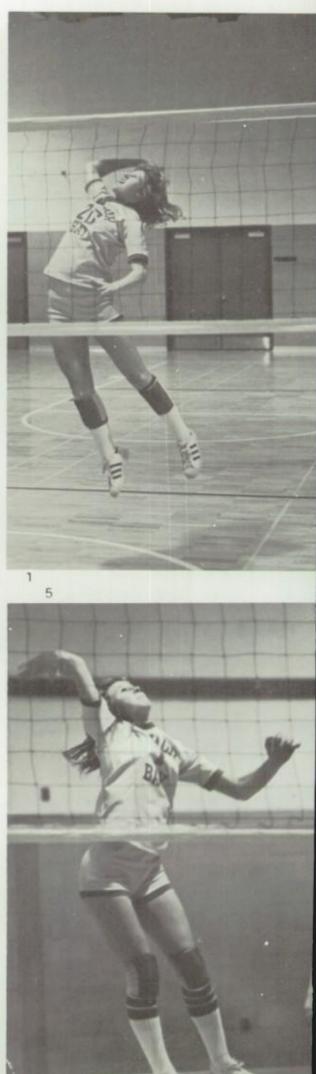

The JV players were Chuck Kay and Steve Noffs.

A brand new girls' team was formed this year with Robin Woodruff, Kelly and Karen Luyt, Randi Smith, and Rose Gabler. Unfortunately no schools had girls' teams so they weren't able to compete. Hopefully next year it will get off the ground.

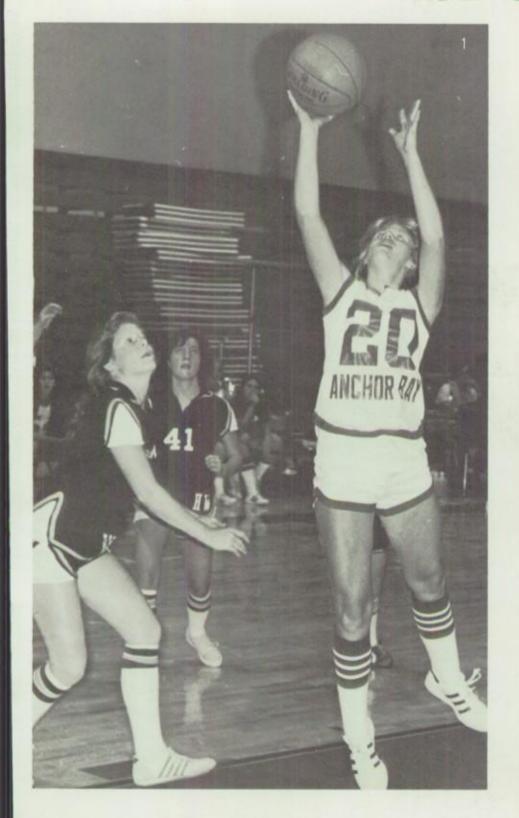

Girls Volleyball a Smash Hit

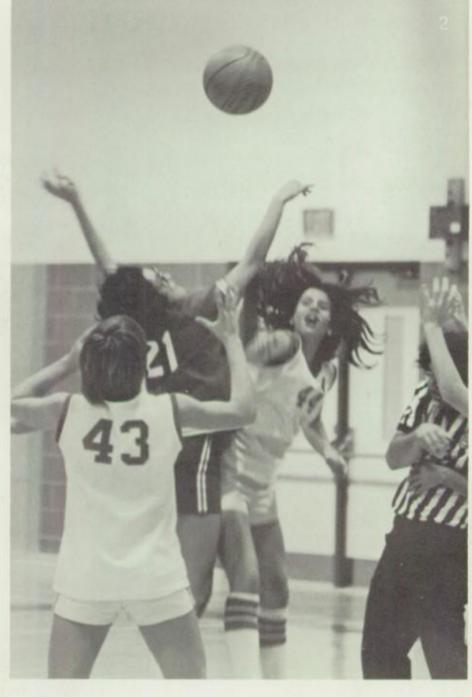

This year's girl's volleyball team was really super. They played good and hard with 4-10 for the final record. They have an excellent coach in Miss Lee (2). (1) Jackie Pollard takes a flying jump for the ball. Foreign Exchange students, get into the imaginary volleyball.

GIRLS' BASKETBALL SHOOTS FOR RECORD SEASON

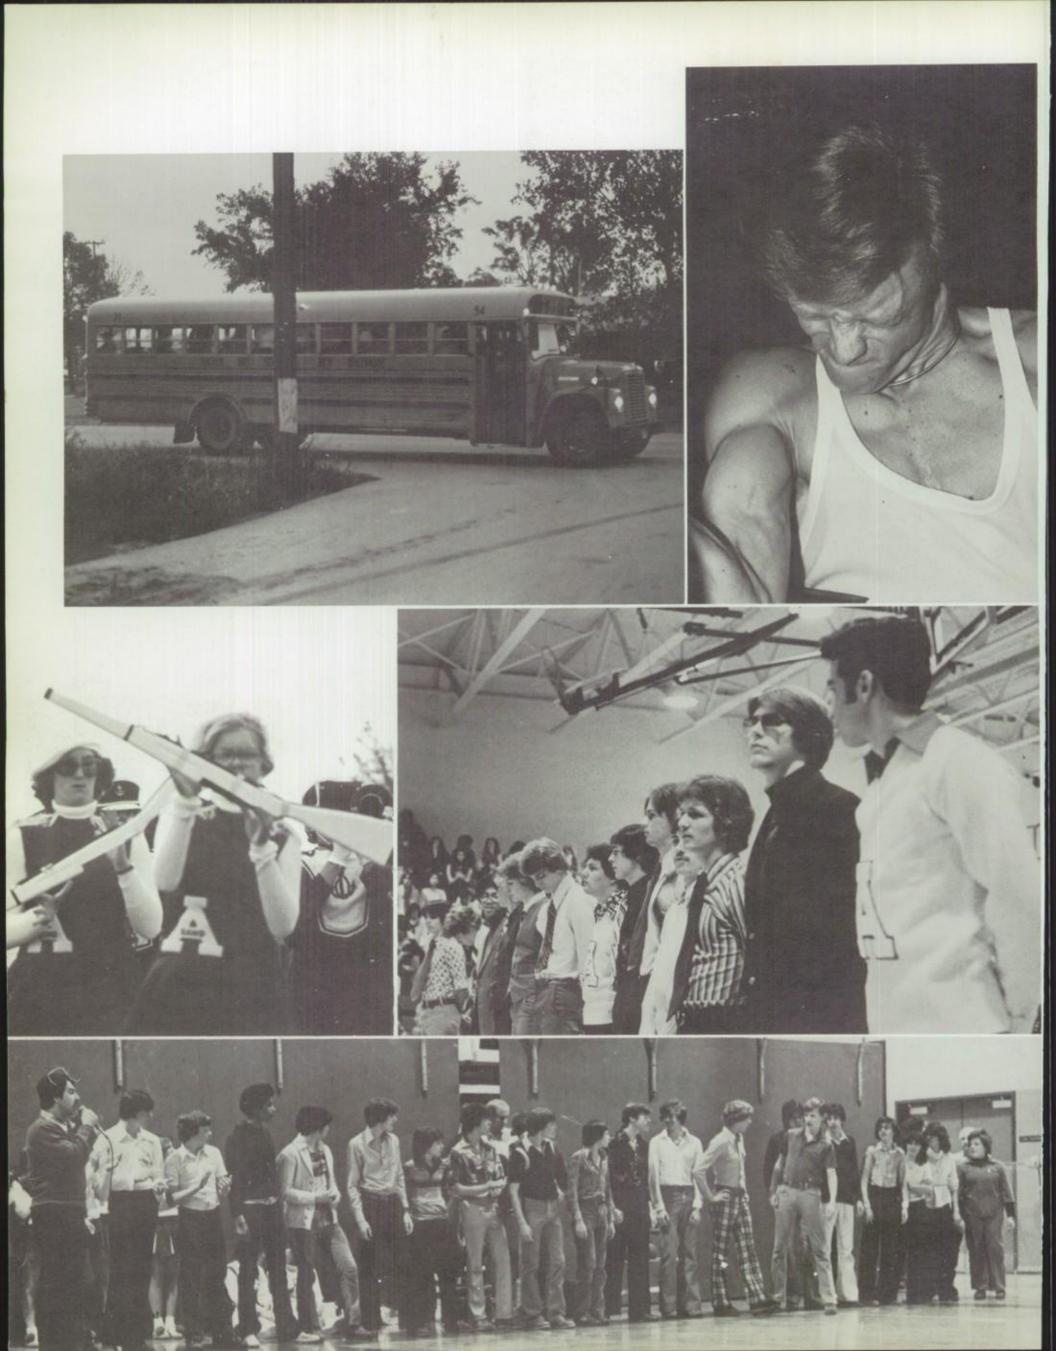

Coach Robinet (3) gives tips for the jump between Michelle Thomas and her opponent (2). The Junior Varsity season record was 13 wins and 7 losses.

This year was Jackie Pollard's (1) best, she was named most valuable player. The varsity season record is 10 wins and 11 losses.

The school hosted the district championships this year.

FRESHMEN JUMP IN AND OUT OF ANOTHER SEASON

Freshman Basketball . . . What a great time to get the necessary experience for Varsity ball. The season wasn't bad for the freshman this year. Their league score was five wins, seven losses, and their overall record was six wins, ten losses. We all know we need our freshman basketball players in future years, so don't get discouraged guys. Good-luck in years to come.

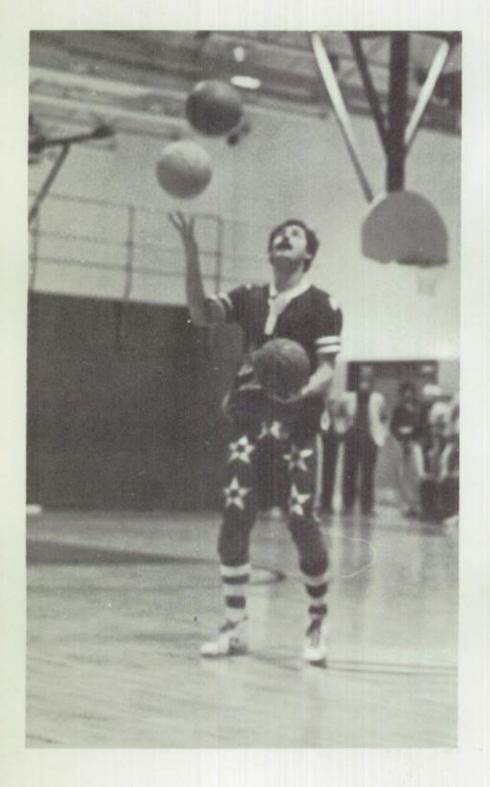

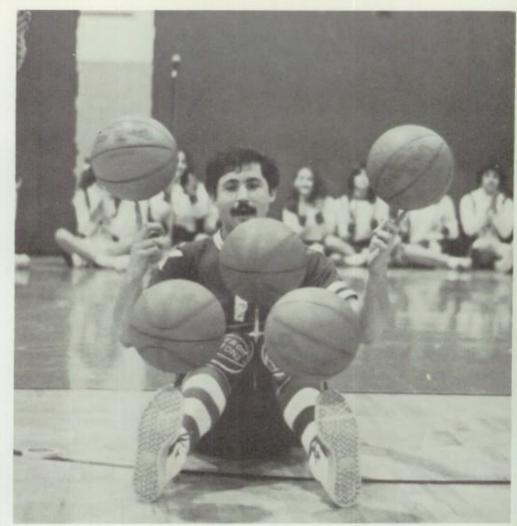

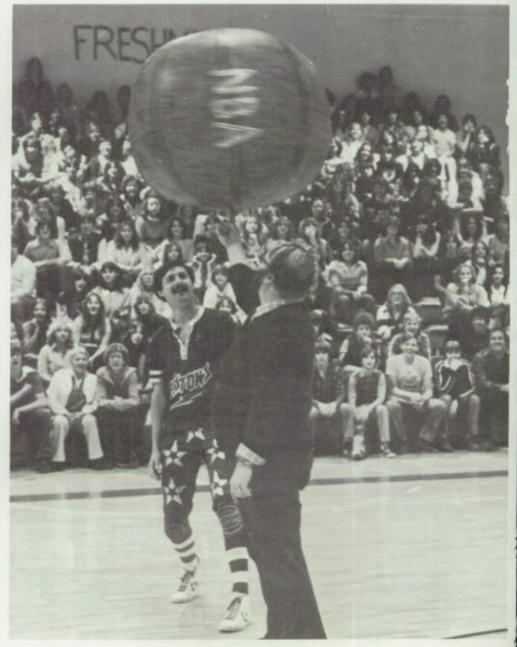

Crazy George Gets Star Treatment

February 9th, Anchor Bay had a close encounter of a crazy kind. It was Crazy George, the world famous basket-ball entertainer and halftime performer for the Detroit Pistons. As soon as he stepped on the court he captured the crowds attention with his wild and witty antics. He had loads of fun with sideliners such as Coach Feldkamp playing cowboy, Mr. Sealey trying his hand at ball balancing, and Kim Schmid getting a "close shave"

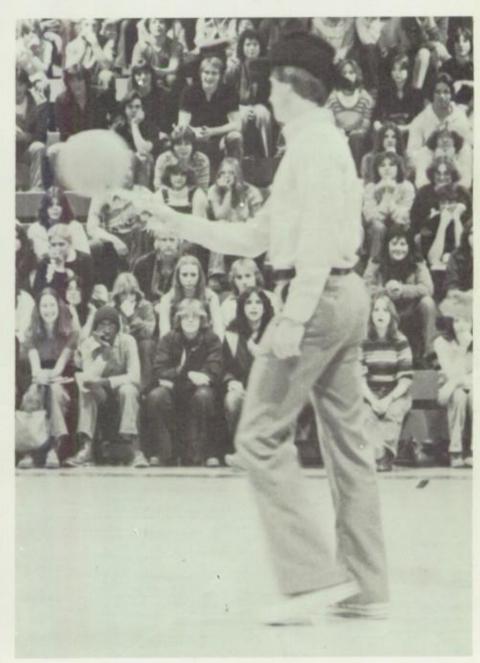

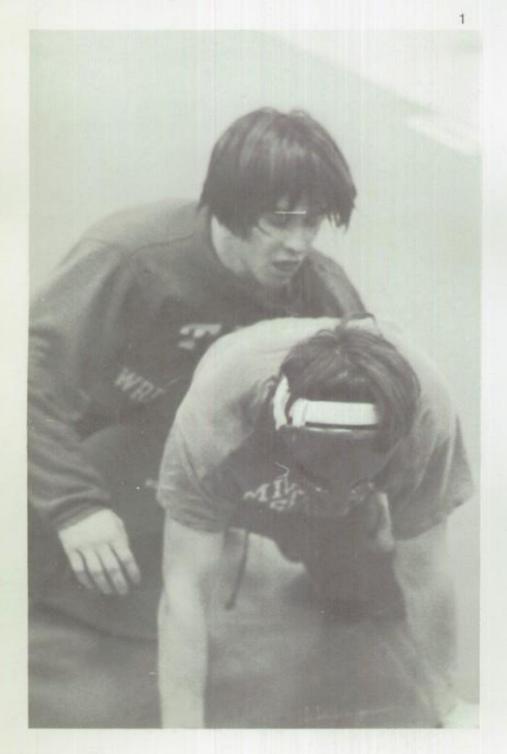

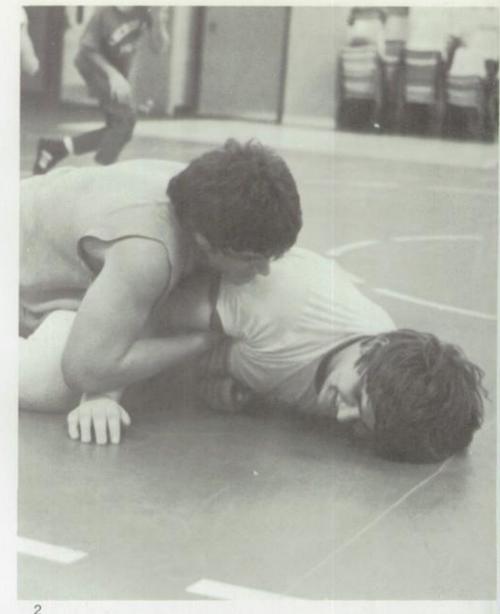

Anchor Bay Grapplers Take Center Mat

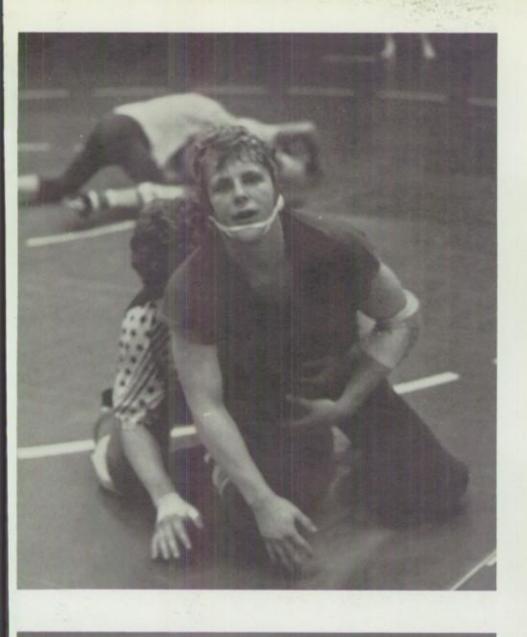

The 78-79 season of wrestling wasn't that good but the Tars did their best. The Grapplers ended the season with a 1-4 league and a 3-7 overall record.

This was primarily due to a young squad containing only 2 Seniors. Another problem was 4 starters out with injuries due to meets. Mr. Jabe states, "Next year will be better due to the experience of this year's squad." Phil Neale a Senior (1) had a 20-8 record. Jay Schehr (2) also a Senior and Rohm Stillings, a Freshman also had winning records.

He Stands Alone

What high school sport makes the demand on the individual amateur wrestling does?

When a boy walks onto the mat. He stands alone. No one will run interference for him. No one will pass him the ball when he is under the net. No one will catch a high fly if he makes a bad pitch. He stands alone, in other high school sports, where individual scores are kept, the contest is determined in time, distance and height. But in wrestling the score is kept on a boy's ability to overcome an opponent in a hand to hand contest.

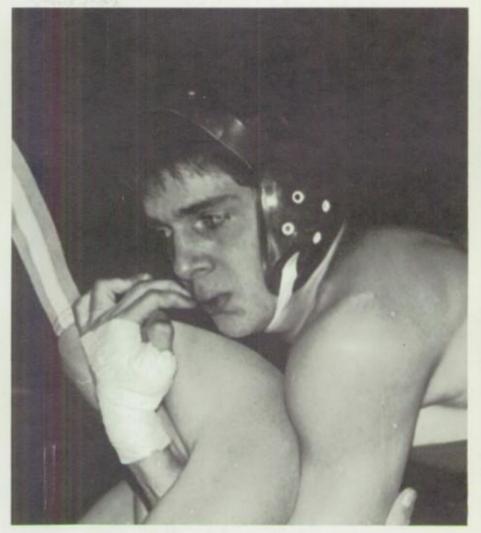

where a two-second interval at any time could mean a loss or win. If an opponent gains an advantage there will be no time out and all can be lost in two seconds. Yes . . . the boy stands

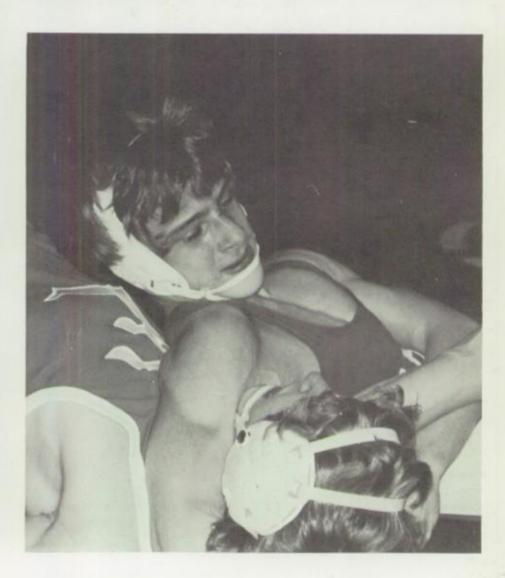

There is no place on a wrestling team for a show-off, the halfhearted, or the weakling. When the whistle blows, a boy puts his ability, his determination, and his courage on the line.

ability, his determination, and his courage on the line.
We who are close to the young men on our school wrestling teams have watched the range of human emotions from elation to heartbreak

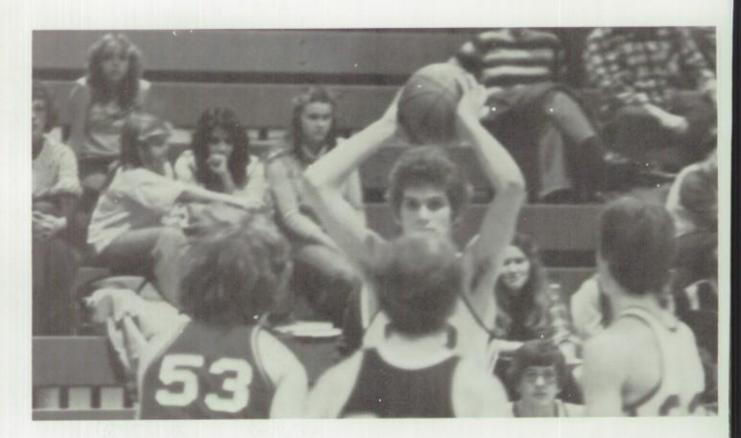

We have seen coaches with tears running from their eyes as they tried to console a young man who has given his all. yet lost. He has become a man. Wrestling is a tough, hard sport, like life, it is the survival of the fittest. The young men who enter and stay with the team know this. They know that when the time comes and the whistle blows...they stand alone.

Style and Determination Makes an

"This year the Anchor Bay Junior Varsity Basketball Team showed winning style. They clinched the majority of their games quickly and easily and with a lot of spirit managed to pull through most of the others by the use of offensive and defensive skills each man had. In order to prove these skills to themselves and others, a new team captain was picked for each game. As the season progressed this handful of sophomores improved and turned themselves into an aggressive team." Stated very proudly by Mr. Robinet, their coach.

The J.V. Boys basketball team won 11 out of 18 games with 2 games remaining in the season.

Aggressive J.V. Team

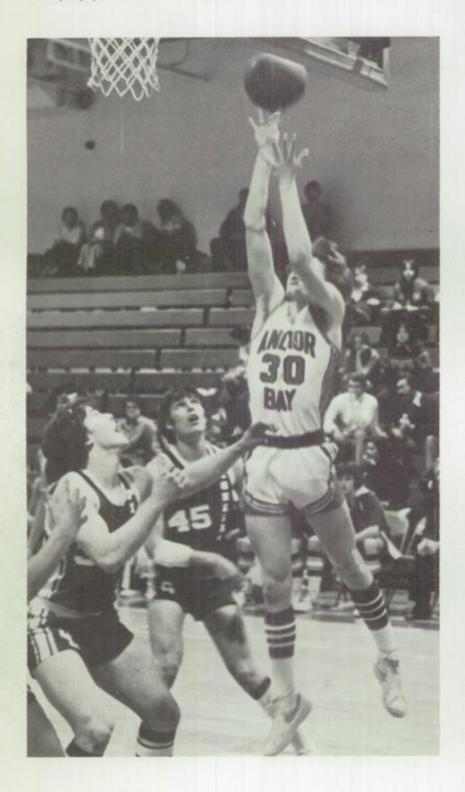

Varsity Basketball Team Leaps to the Top

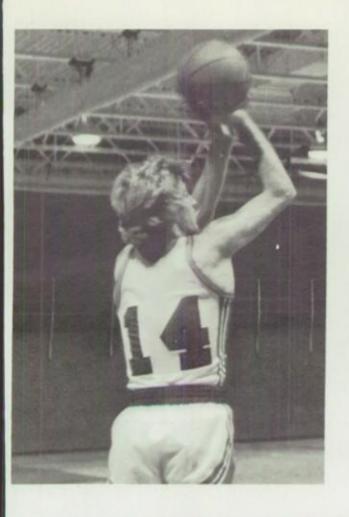

Jeff Greenslate, takes care of the problem at hand. (1) Mike Bandy makes a flying leap for the basket while the opponents look on in disbelief. (2) You meet the Varsity basketball team. (3) Anchor Bay Basketball players are ready to play after a stimulating speech by coach Feld-kamp. (4)

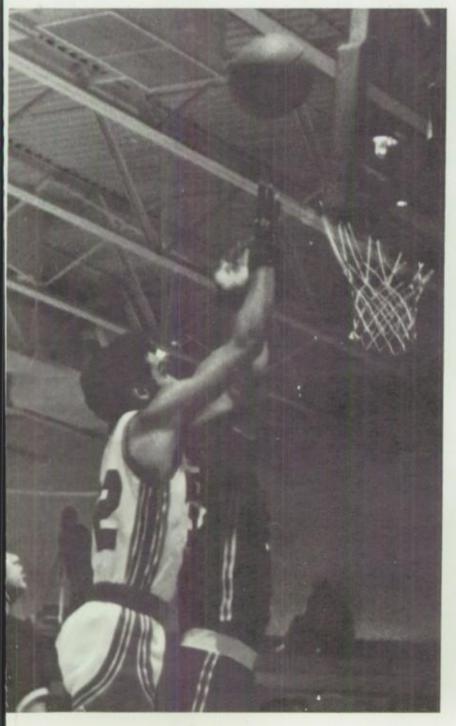

SHOOTIN' UP . .

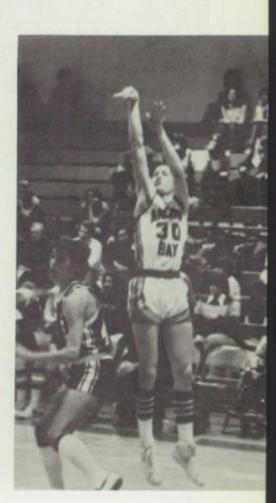

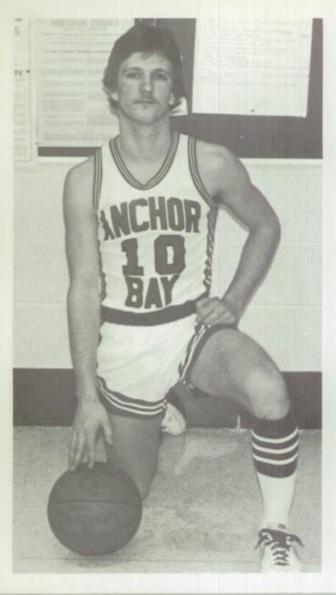

FOR A BIG VICTORY

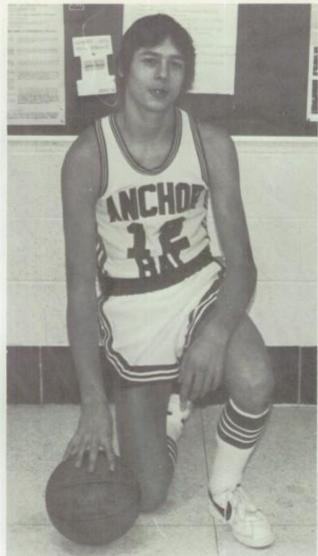

Anchor Bay Varisty Tars sprinted through another season. With the district championships held right here at Anchor Bay, the team played up to the very end receiving a 2nd in the district finals. We are sorry to see seniors Dave Vandeputte, Bill Wellman, Chuck Kay, Brian Halligan, and John Kirchhoff go, and also Mike Marks and Bill Thomas. The support given by the crowds and others was fantastic and much appreciated. (5) Mike Bandy seems to think that long distance is the next best thing to being there!

The theme for the floats was Walt Disney characters. The Spanish Club car (1) was the most decorative. Art Wawzyniak (2) dressed as Ferdinand the Bull. The All Sports Club (3) float also shows a lot of effort. The French Club (4) and Choir (5) also decorated vehicles for the Homecoming parade, as well as the Art Club.

This year the Homecoming festivities began with Spirit Week. The highlight of the Pep Assembly was the pieeating contest. After placing the pies neatly in a row, the word was given. "On your mark, get set, go!" Rich Kaminski soon emerged the winner, as the neat little row of pies was demolished.

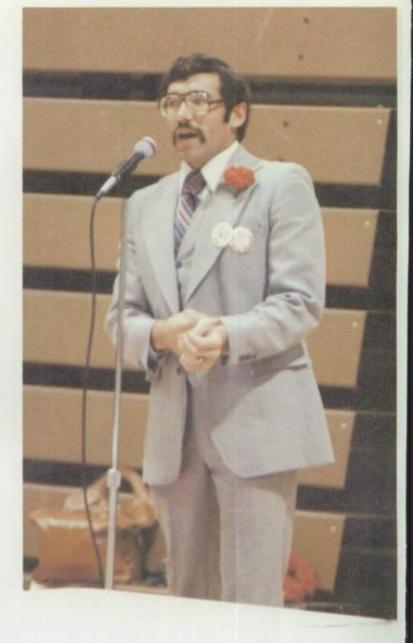

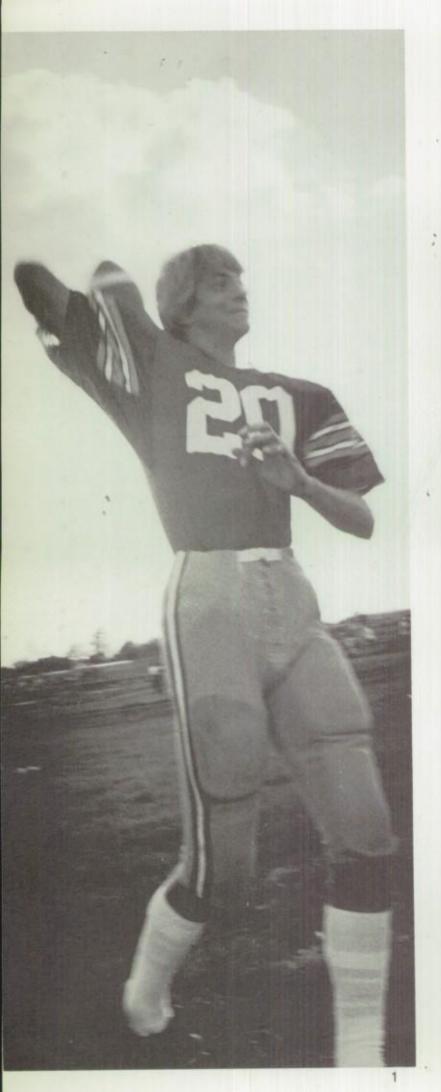

Richard Kaminski really looks like he enjoyed his pie (2). The crowd is really watching the game (3). After the Tar's victory came the dance. Jackie Pollard and Doug Greenslate danced to the music of STRAND. (1) While Aniello Aprea, Diane Rickel, Chuck Kay, Sandi Sparks, Cameron Karry relax. (4)

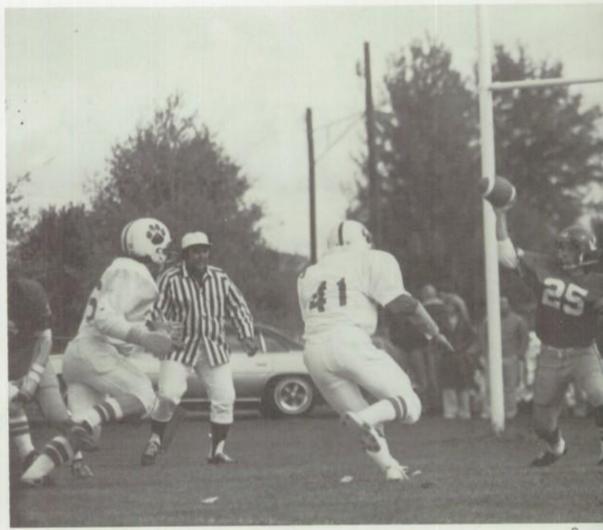

Who will be the next Joe Namath?

Jeff Greenslate (1) passes the football down the field. Paul Socia (2) is throwing a pass to a team-mate who is clear. Jim Rickel (3) is running down the field trying to make a touchdown. Rob Rairick (4) kicks off. At the end of the game, the players (5) shake hands and congratulate the winners. Mike Van der Velde and Bret Boschma did a great job being co-captains for the football team. This year the football team had 5 wins and 4 losses.

Cheerleaders Make the Cheeriest People

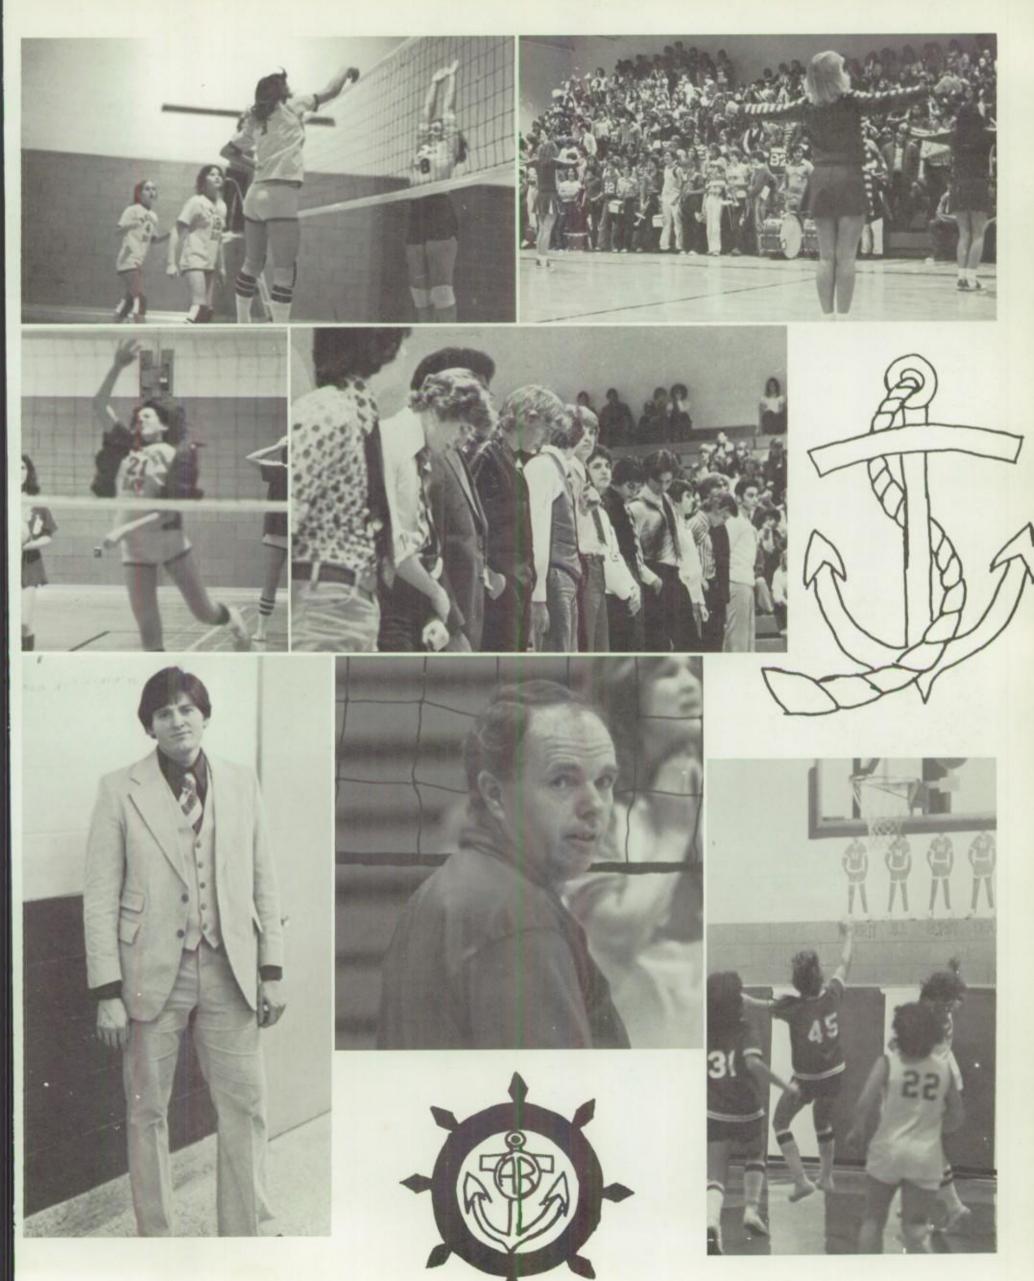

They also cheer up the crowds whether we are winning or losing. The Varsity and Junior Varsity cheerleaders pose for a group shot. (1) while the Freshman cheerleaders (2) use their much needed practice time. What would our pep assemblies be without our beloved cheerleaders? The Varsity squad (3) displays other talents than their mouths. Thanks, Mr. Perkins for the continuous help and new ideas supplied to the 1978-79 cheerleaders. (4)

Review the Year / 1

This has been a busy, exciting year. A lot of things happened locally: Jay Jewelers caught fire, and Circus, Circus burned down. Our very own Anchor Bay High School Band was asked to participate in a Dodge commercial that was broadcast nationally. New Baltimore gained a famous neighbor in the new McDonalds. Worldwide and nationwide, a lot of news was being made. The mass suicide in Guiana shocked the world. Nelson Rockefeller died, and President Carter pardoned Patty Hearst. Many protests took place this year. In Iran, the Shah was forced to leave his countrymen. Taiwan protested when we broke our relationship with them and joined with China. Many people in this state protested, also, when the drinking age was changed to 21. We all held our breath when economists predicted a recession. But it hasn't materialized yet, and let's hope it doesn't in the coming year. We lost 2 beloved popes but gained another.

We all saw a lot of movies this year. This summer, *Grease* was the word. We all laughed at John Belushi's antics in *Animal House*, and saw good triumph over evil in *Superman*. Other movies that showed this year were, "Every Which Way but Loose", California Suite", "Fast Break", "Heaven Can Wait", "Ice Castles", "Magic" and "Sgt. Peppers Lonely Hearts Club Band".

We laughed at that Wild and Crazy guy, Steve Martin. A play from Broadway, Annie, came to our Fischer Theatre.

On T.V., we were saying "Nanu Nanu" to Mork & Mindy. Battlestar Galactica took off on the Star Wars craze.

Disco was still the biggest thing around. We danced to "Le Freak", "Do ya think I'm sexy", Y.M.C.A." and "Macho Man" by the Village People, and songs by Geils.

The biggest fashion news this year was the suit. Shawl Collared and short blazers were up-and-coming. Vests and big blouses were very in too. Pleats were in on shirts, pants, and skirts. Straight legged designer jeans were worn with another fad: Spike heels and clogs. Menswear was a growing fashion trend, also.

ACT X: FOREIGN UNDERSTUDIES

Foreign Exchange Students at Anchor Bay

Norma Rengifo is staying with Mr. and Mrs. John McColley. She comes from Columbia and a family of two. Having five sisters and a brother is a big change. School is O.K. but she doesn't like waiting for the bus in the cold. "American customs are different." she says. "but I'm learning."

She paints in porcelain and oil. One of her classes is drawing, which is her favorite. Dancing too, is one of her social activities but she doesn't get a chance to practice it here.

"I didn't know it was going to be this great," she says.

"I am glad it turned out to be so beautiful.

The first and only Indian (Asian) ever to join the Y.F.U. program is Gita Mirchandani. She was born in the Philippines and comes from a family of four where she's the oldest. She lives with the Russell King family where there are two younger children

School is fun especially since she went to an all girls Catholic school. Her only comment is that every time you want to get out of the classroom, you have to carry a yellow slip.

Snow is a whole different experience and she likes the cold weather but she misses the sun and the outdoor life. She liked playing tennis for at least two hours a day during noon.

Americans are independent and free thinkers and she admired that quality. She knows that hers is a once-in-a-life-time chance and is a good step toward growing

A foreign exchange student is someone between tourteen and eighteen years old who goes to another part of the globe to experience a different way of life with the help of their host families. They stay for ten months of the school year and attend the same school their foster brothers and sisters go to.

It is a big challenge for someone so young to give up home and come over to adjust to a new way of life, adopt different values and follow a different train of thought. The amazing part of it is that they get so used to the American way of life, that going back home brings tears to their eyes.

Malena Garcia is from Venezuela and Mr. and Mrs. Harold Corrick are her host parents. Dancing was her main activity back home but here, she says, "there is no place to go dancing."

"School is school," she states, but the fact that she could not speak English when she first came over was not an advantage. Now she can understand and speak English and this proves that she achieved her goal in just a few months.

Meeting people from different countries was always what she wanted to do. She is so glad she came over and had a wonderful year.

Harri Paatsalo is from Finland and he also lives with the Corricks. Here, he has one sister, Malena, and back home, he has a brother.

He is an enthusiastic member of the Ski Club. He also likes water skiing and swimming.

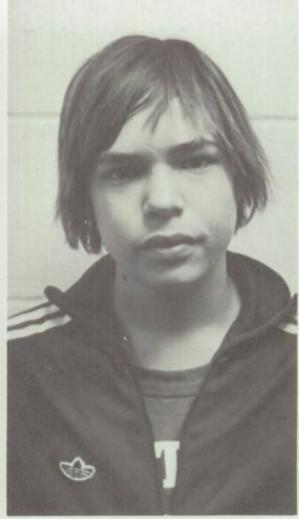

"I like Anchor Bay." he says, "I have more freedom. I can choose my classes and teachers." His only complaint is that he can't go out during the lunch hour.

American lifestyle is faster. He loves the food, especially his mother's.

He's glad he had the chance to come over and widen his circle of friends.

Anette Weiss comes from West Germany and she lives with the James Pollard family. She thinks having two sisters her age is a great advantage. She goes horseback riding in Germany and thinks that the sports activities here are different. She's on the varsity volleyball team and that keeps her fit. School is okay but she doesn't like the fact that the students can't go outside during their lunch hour and that Anchor Bay does not have a smoking-lounge.

She loves to travel and wants to see as much of the USA as she can while she's here. She thinks that being in the program will be one experience she will always cherish.

Archemedes Afonso is from Vahinos, Brazil. He came for the "six month program" and stays with the Corricks.

In Brazil, he attended a school of electronics. It required much more work and time.

Roller skating, soccer and motorcycle riding were among his favorite activities.

Archimedes doesn't really go much for snow and the cold weather. He says American food is all from the can and he prefers fresh food. Fish and rice were part of his usual meal.

Anchor Bay is a good school. He is enjoying himself and will someday come back.

Annie Ong lives with the William Leitch family and is also from the Philippines. She is glad she has a sister her age: Sally, a junior at ABHS.

At home, playing the piano, watching TV, and going to movies were part of her leisure activities.

She likes Anchor Bay and thinks that the students are friendly. Like the rest, she enjoys the snow but it gets too cold at times.

Snack food is synonymous to American food mainly because rice is not served every day. "I'm coming back", she says, "but only for a visit."

SMILE YOU'RE ON!

This year's Christmas program was presented by the Concert Choir, Ensemble, Girl's Glee, and the Junior Choir. Entertainment was also provided by the student council. Possibly, the student council believes that a script is like a good wine, it improves with age; Although, the choirs put on a great show with the Ensemble showing excellence!

Santa Appears Live and In Person

At A.B.H.S.

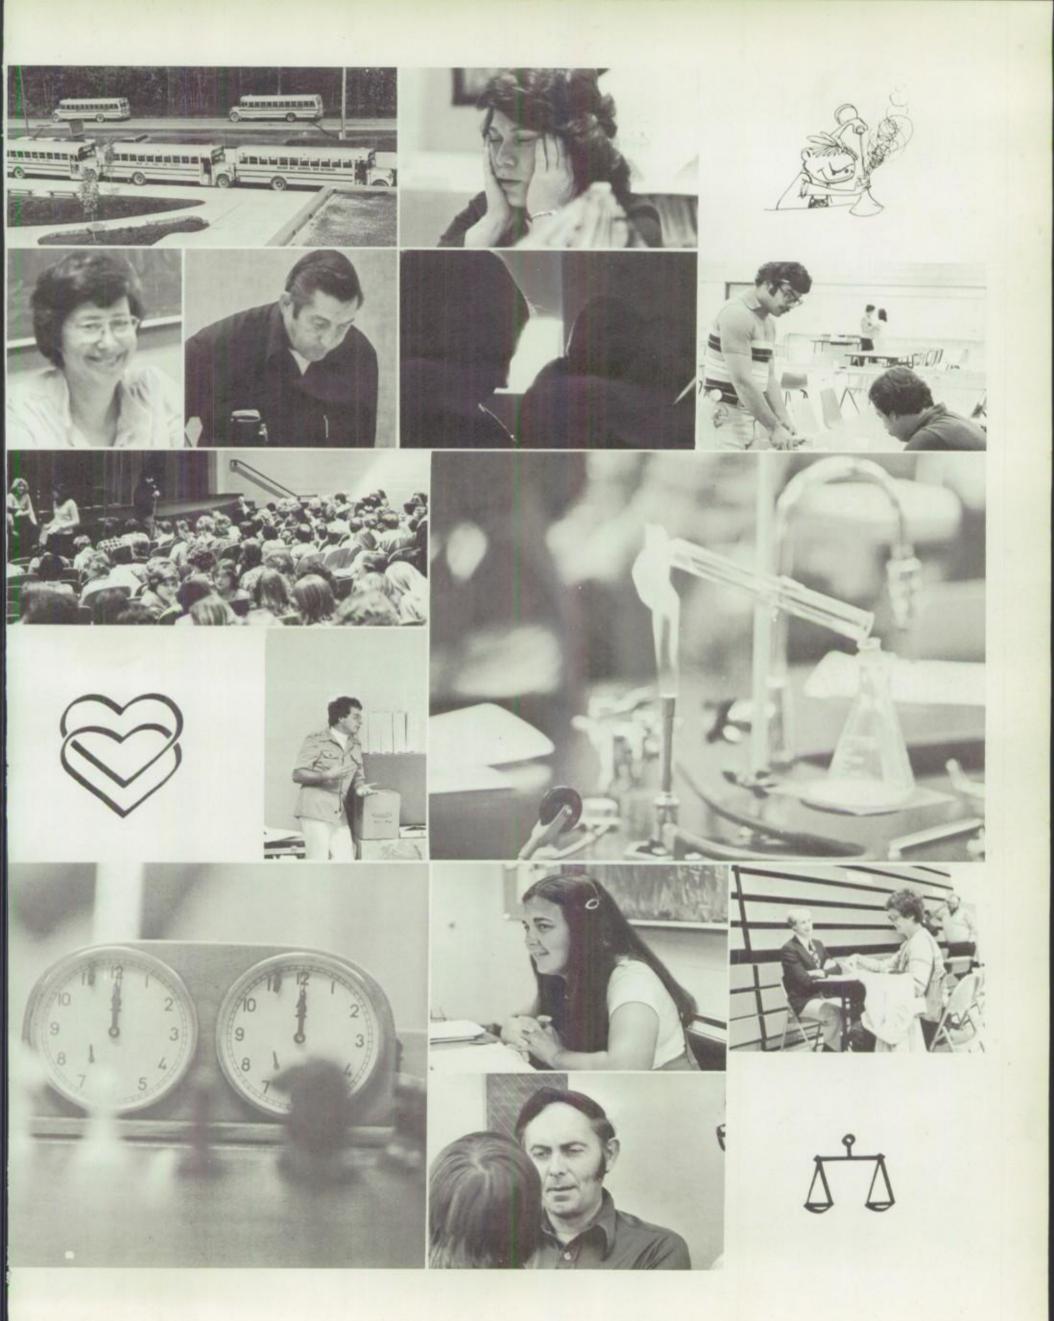

Straight from the North Pole,
Anchor Bay child-care kids are
visited by; who else, Santa Claus.
Although this year, Santa seems
to lose his interested fans
(middle-left) but he sure didn't
lose his interests! (middle-right)
However exciting Christmas and
presents are at the time, the
sandbox always seems to win
out in the end. (Bottom)
